

**BRITISH SIBERIAN HUSKY RACING
CHAMPIONSHIPS**

2011/2012

September 2011

Dear BSHRA competitors

Welcome to the British Siberian Husky Racing Associations brochure, detailing the 2011/2012 British Championship series.

The main points of note for the coming season are:

- ❖ All 8 weekends will continue as 2 x 1 day races. There will be 15 days of Championship racing with the best 11 races to count. In the event of races having to be cancelled, competitors will take their best 10 from 14, 9 from 13 etc. The final day of racing will be a non-championship race.
- ❖ We are delighted to be able to schedule a race at Tentsmuir once again and to welcome John Carter back as a race organiser. We are looking forward to fielding a full race calendar from all parts of the country.
- ❖ This year it will again be possible to make entries on line – the closing date will be 10 days prior to the race for online, with the postal closing date two weeks prior to the race. For further details of online entry go to www.huskyracing.org.uk/entriesonline. All competitors are encouraged to use the system to speed up entry handling.
- ❖ Split timing has proved popular and will continue but it has highlighted the need for an extra marshal in each class and we would encourage everyone to give a little time to helping out at least at one race each season – if everyone chips in, it makes a huge difference.
- ❖ Changes have been made to the position regarding draws for final Championship positions – essentially to allow a draw and removing the complex 'hair splitting' which we have used in the past to separate two otherwise equal teams. We have also clarified the rules relating to the Veteran Championship in that the age of the dog is counted in whole years ie months must not be included when working out the average age of the team.
- ❖ Competitors are reminded that dog bags are no longer required but that if you do not return with all your dogs you will be disqualified. The organisers are concerned that bags should only be used if to do so would not in any way harm a dog carried. The organiser of each race will be the arbiter of whether or not any dog is carried safely if a competitor does choose to use a bag.
- ❖ Owners of welfare dogs are asked to make special note of the change to BSHRA policy regarding these dogs – detailed in the General Information section – and all are reminded that this policy applies only to dogs which have gone through welfare – it does not apply to litters of unregistered puppies.
- ❖ The Malamute folk have put forward a proposal to BSHRA to schedule a joint DM/DF (DF = D Freight) class and this will be trialled for this season – with a review planned after a season's experience. Trophies will be provided for each 'sub division' of this class meaning that someone running a mixed team has the opportunity to compete in a championship which will be organised by the Mal owners as has happened over the last few seasons with the DM class. For the class definitions please see the race rules.

Downloads in pdf format will be accessible from the website: www.huskyracing.org.uk The documents include the BSHRA race rules, race directions, a generic entry form and a copy of the brochure.

We would ask that you send any photos for inclusion on the website to galleries@huskyracing.org.uk by the Wednesday after the race.

The BSHRA organisers would remind competitors that entry into the Championship series assumes a certain level of dog fitness prior to taking part. This is to ensure the health and welfare of the dogs. The organisers reserve the right not to allow any team which is believed to be unfit for competition, to take part.

A copy of the booklet 'Running Huskies in Harness' may be found online – we hope newcomers, in particular, will find this of interest.

If you are aware of anyone who would like to receive a brochure and may not be on our mailing list, please call Steve Rooke (01728 604367) or register their details by email from the website.

Should you have any queries, please do not hesitate to contact one of the BSHRA organisers. Train well and enjoy yourselves!

With best wishes

BSHRA Race Organisers

SECTION 1

GENERAL INFORMATION

BSHRA CHAMPIONSHIP POINTS SYSTEM

This section is to be read in conjunction with the BSHRA Race Rules. These are included in this brochure and competitors are advised to read them thoroughly as responsibility for compliance rests with the competitor.

1. For the 2011/2012 Championship, 15 days of racing are scheduled. An individual competitor will count his/her best 11 results. It is not necessary to enter all races to qualify for a final placing in the championship.
2. In the event of race days being cancelled completely the following will apply. Best ten results from 14 races, best nine results from 13 races and best eight results from 12 races. (Please see note 8 re weather).
3. To qualify for a final championship position a competitor must compete in a minimum of four championship races in that same class.
4. A points system will operate. Points will be awarded to the first 20 finishers in each class, at each one day race, as follows:

1st	-	66 PTS	11th	-	14 PTS
2nd	-	57 PTS	12th	-	12 PTS
3rd	-	49 PTS	13th	-	10 PTS
4th	-	42 PTS	14th	-	8 PTS
5th	-	36 PTS	15th	-	6 PTS
6th	-	31 PTS	16th	-	5 PTS
7th	-	27 PTS	17th	-	4 PTS
8th	-	23 PTS	18th	-	3 PTS
9th	-	20 PTS	19th	-	2 PTS
10th	-	17 PTS	20th	-	1 PT

5. All points for a class championship must have been attained in that class only.
6. In the event of a tied points total for final positions the following will apply:
 - (a) The musher with the greater number of higher placings will be awarded the higher position.
 - (b) In the event of tied points and equal placings, then the musher who attained the greatest number of higher placings over the other musher(s), where the mushers have competed at the same races, will be awarded the higher final position.
 - (c) In the event that competitors remain tied then a draw will be declared and the mushers will be awarded the same final position.
7. No competitor may run more than one team in each class.
8. Weather (See BSHRA Race Rules A7)

If during a day's racing, whole classifications are cancelled due to weather, those classifications completed shall count towards the Championship points system. Those classifications only part completed shall not count.

9. The Rookie, Veteran & all Bitch Championships will take place in conjunction with the overall competition. However the awarding of points for these Championships will be based on the number of competitors starting in the class. If any competitor enters more than one team in the Veteran, Rookie or all Bitch Championship then the best result will count towards the Championship. Entrants in these Championships should tick the relevant box on the entry form.
10. To qualify for the Rookie competition you may not have been competing in sled dog racing prior to January 1st 2011. Anyone with a final Rookie Championship position in the top three will not qualify for Rookie status the following year.
11. To qualify for the Veteran Championship the average age of team members must be 7 years and over (whole years only – not including months).
12. An untimed Courtesy class will be held at all events on Saturday only, to allow competitors to run non competing dogs around a short trail at the end of competition. The number of dogs should be advised at the time of entry and the appropriate fee paid in advance. Teams of more than two dogs MUST include at least one experienced dog. A start time and a bib will be allocated and a bib and helmet must be worn.
13. A copy of the event insurance certificate is published in this brochure.
14. In the event that a venue becomes unusable over the planned race weekend, the venue may be moved or the race cancelled. No postponement or change of date will be allowed.
15. Competitors running mixed sled dog teams (a Siberian and another breed) will be welcome to run in the normal course of a class but will not be entitled to score points.
16. Anyone not wishing to compete in the Championship may tick the box on the entry form accordingly. Such teams will still be entitled to any award won at a race but will not score points towards the Championship.
17. Points which are not awarded to a team entered as non Championship will automatically be awarded to the next Championship competing team eg: if a non Championship team places 4th, then the points for 4th place will be awarded to the team placed 5th if it is competing in the Championship.

BSHRA BRITISH CHAMPIONSHIP AWARDS

1. BSHRA will award champions trophies for the overall winners of each class, to be presented at the final event of each season. These will be held for 1 year and remain the property of BSHRA. The winners will ensure that they are returned in good order, suitably engraved, and in time to be presented at the next season's final event.
2. In addition, BSHRA will furnish awards for 1st to 5th placed mushers in each class. These will be retained by the musher.
3. Individual events may also provide awards at the organiser's discretion.

CLASSIFICATION

CLASS DESCRIPTION

B CLASS	-	MIN 4 DOGS, MAX 6 DOGS
C4 CLASS	-	MIN 3 DOGS, MAX 4 DOGS
C3 CLASS	-	MIN 2 DOGS, MAX 3 DOGS
D CLASS	-	2 DOGS
DM/DF CLASS	-	1, 2 or 3 DOGS (see definitions - rule 1 A 6)
S CLASS	-	1 DOG

For this series of races, dogs of Zero bloodlines within their 5 generation pedigree will not be eligible for competition

TIMING

All events will be timed using an electronic timing system.

TRAIL DISTANCE AND INFORMATION

The Race Organiser reserves the right to amend the trails on either day depending on the weather, temperature and trail surface conditions, without prior notification.

Saturday trails will be available for inspection on the Friday afternoon prior to the event. No competing dogs will be allowed on the trails prior to competition.

START POSITIONS

Start positions will be decided per BSHRA race rules Section 2A, i.e.: the draw may be conducted in one of three ways:

1. A seeded draw using previous performance as criteria for seeding.
2. A partially seeded draw, seeding groups of teams of similar ability.
3. A totally random draw.

RACE INFORMATION

A race bulletin notice board will be placed in a prominent position at all races. This should be consulted for up-to-the-minute race information such as start times, trail alterations and so on.

No dogs under the age of 12 months will be permitted to compete.

Rig/sled/scooter loans will not be permitted in the same class and are strictly the responsibility of the mushers concerned. Any loans between classes must be declared on the entry form and the donor mushers name supplied. The organisers will make every attempt to accommodate them within the draw.

Dogs will not generally be individually marked prior to competition. However, should evidence confirm that switching or substitution has taken place, those concerned will be disqualified and the matter referred to BSHRA.

For 2011/12 there will be 16 days of racing – each race weekend consisting of two separate race days. Competitors may change their entry for race two, providing the Race Organiser is informed of this by Saturday afternoon. The final day will be a non Championship race.

The trails are set out strictly for competition and are to be used at the appointed race/courtesy class times ONLY.

It is a legal requirement that all dogs have identification tags attached to their collars while within areas which are open to free access by the general public.

In the unfortunate event that someone loses a team: Should a team go missing, subsequent classes will be put back in 15 minute intervals to give competitors every chance of making their new start time without too much duress. As an additional precaution, the mobile phone number of the organiser will be available which competitors can note and call from their phone on the trail if a problem arises.

Dogs which have passed through welfare – if there is clear evidence of prior KC registration such dogs will be eligible to compete at BSHRA races – both Championship and non Championship. For those who may not have that evidence, on application from the owner to the BSHRA organisers, eligibility to compete will be considered on a case-by-case basis. Where a welfare dog has been accepted as suitable to race, a BSHRA welfare number will be issued and will require a photograph and microchip number (if available). These dogs are not eligible to compete in the Championship – but are very welcome to be run 'non Championship' or in Courtesy teams. Any dogs which have already been given permission to race may continue to be run in the Championship (ie up to and including any dog granted permission prior to September 2010). This policy will remain under review. Owners are reminded that these dogs are unregistered and therefore should not be bred from.

The DM/DF class allows 1 - 3 dog Malamute (DM) and Mixed Freight (DF) teams (rigs only), which will be seeded according to usual BSHRA guidelines. BSHRA will supply AMWA with the results (including team size) to enable them to organise their own championship and publish the results on their website should they wish to do so.

The DM class will be presented with plaques and trophy centres as with the Siberian Husky teams.

COMPETITORS ARE REMINDED THAT:

- Driving vehicles through parking areas at races should be limited to 10mph. Please do not put dogs, children and adults at risk by exceeding this.
- For the same reason it should also be noted that teams should not run at full speed back to their vans but should slow to a trotting pace.
- It is their responsibility to clear up after their dogs and fill in any holes dug by their dogs while on stakeout.
- They must NOT leave litter lying around – including pick-up bags. Rubbish bins will be provided. STRICTLY NO FIRE LIGHTING ALLOWED.
- They should be courteous to members of the public and other forest users.
- The Forestry Commission does not allow camping in any forest except at designated campsites. Please do not jeopardise our relationship with the Forestry Commission by disobeying this rule.
- All races will have a range of services on site for your convenience and safety.

BSHRA SAFETY POLICY

Safety for dogs and drivers is a major factor in the planning of trails and the organisation of events for the BSHRA Race Organisers. In addition, BSHRA would like all race competitors to note the following points:

- The wearing of safety helmets is compulsory at BSHRA races. Winning teams have average speeds of around 16-19 mph depending on class, which means speeds at times in excess of 25 mph. Head protection is now mandatory or widely adopted in many events held for sports where there is the possibility of a fall or collision at such high speed (horse racing, three day eventing, show jumping, parachuting, cycling, canoeing, etc.). The BSHRA Race Organisers therefore require the wearing of helmets for participants in all classes.
- For the scooter class, the wearing of elbow and knee protectors is also recommended.
- First aid assistance in the form of a qualified individual will be on hand at all BSHRA events. The Race Organiser will identify the individual/s concerned at the mushers meeting at the beginning of the day and will inform competitors of a location where first aid assistance can be obtained at any time during the day. In the case of an accident or emergency when the Race Organiser may not be immediately available, any competitor should know where assistance can be found. If a competitor misses the mushers meeting, it is his/her responsibility to find out about first aid facilities at the race site – this will additionally be published on the race notice board.
- Veterinary assistance will take the form of a local practice on call. The

appropriate telephone number is printed in the BSHRA race brochure and will also be displayed on the race notice board (usually situated at or near start/finish areas).

TOP SAFETY & TRAINING TIPS FOR RUNNING HUSKIES

DO

- **Know the temperature**
 - before you go running – humidity is critically important too. Stick to running in temperatures below 15°C and reduce the distance as temperature goes up.
- **Check humidity**
 - it is as important as temperature particularly when it's warm.
 - remember a dog can only lose heat effectively through its mouth so make sure they can breath freely.
- **Ensure your lines are correctly fitted**
 - a dog pulling on its neckline instead of its tugline is at risk.
- **Make sure harnesses fit correctly**
 - different styles fit differently so make sure they fit appropriately to the type of harness.
- **Use collars which have no 'movement' in them**
 - collars that tighten as the dog pulls forward can be dangerous – a well fitted buckle collar is ideal.
- **Position a stake carefully**
 - if you use a stake to hold the team while you're hitching and when you get back from a run, make sure the line to the stake is attached to the gang line and never to the front dogs' necklines – they risk being pulled around by the dogs behind and could be hurt or worse if the other dogs suddenly pull away in another direction.
- **Switch positions in the team**
 - front to back and side to side. A one position dog is far less efficient since it will learn to lean out to one side rather than pulling straight forward. Even wheel dogs like to run up front on occasion and you'll never find out just what talents your dogs have if they are always run in the same position. Additionally your lead dogs need a 'break' from responsibility now and then.
- **Measure the distance you run and keep a record of:**
 - team positions
 - temperature
 - distance
- **When you get back from a run:**
 - make sure the dogs are immediately given individual bowls of fresh water.
 - wipe their faces.
 - give them time to cool down before putting them back in your vehicle.
 - make sure the vehicle has plenty of air circulating by keeping doors and windows open.
- **Water part way round a training run if the weather is warm**
 - stopping for a breather and a drink is all part of training.
- **Follow a routine**
 - the dogs appreciate it and soon get to know what's expected of them.
- **Carry a double ended brass clip**
 - so you can make emergency repairs on the trail.

- **Carry a pen knife**
 - in case you need to cut a dog out of a really bad tangle.
- **Exercise your dogs all year round**
 - how many human athletes have you heard of that take a summer lay off? Just make sure you get out with the dawn even if you only go training once a week in the summer.
- **Accustom your dogs to wearing soft fleece booties**
 - you may never need them but it's far better if the dogs are used to them should the need arise.
- **Leave the forest as you would like to find it**
 - clean and clear of fur, poo etc and be polite to other forest users – we want to make sure we are always welcomed back.

Top Safety & Training Tips for Running Huskies

DON'T

- **Leave any necklines dangling when hitching the team**
 - attaching two necklines to one dog while you fetch another is much safer and avoids the possibility of the first dog getting a clip in its eye as it bounces about.
- **Run far in high humidity or in the rain unless it's cool**
 - high humidity makes it much more difficult for the dog to lose heat so keep the distance down.
- **Allow line biting**
 - it can be deadly to other team members and the dog itself.
- **Overrun your dogs**
 - make sure the lines are always tight between the dogs and the rig – even if that means braking, especially downhill.
- **Expect your dogs to run flat out downhill or on hard surfaces**
 - if you have mixed surfaces to run on, let them get used to each surface by running steadily and in a controlled way so they aren't frightened.
- **Use a stake out line as a means of poeing and peeing your dogs**
 - walk them first and then put them on the stake out – the majority of dogs actually prefer to get back to the comfort of their van after a good run.

SECTION 2

RENDLESHAM FOREST
HUSKY RACES

19/20 NOVEMBER 2011

WITH KIND PERMISSION OF FOREST ENTERPRISE

ACCESS

From A14: Take the A12 North towards Woodbridge, (do not take the A12 South). At Woodbridge, follow signs to Orford (B1084) and to Rendlesham Forest Centre. Entrance to the race site will be marked on the right hand side of the B1084 approximately 4 miles from Woodbridge.

Co-ordinates: LAT 52.098927 LONG 1.438437

CAR PARKING, START AND FINISH AREAS

There is ample parking at the race site within a short distance of the start and finish area. Parking is in a pleasant open area. Please remember to clear up all rubbish when you leave.

CLASSIFICATION AND TRAIL DISTANCE

B C4 C3 D DM/DF AND S CLASSES

B CLASS	-	4 MILES MAX
C4 CLASS	-	4 MILES MAX
C3 CLASS	-	3 MILES MAX
D CLASS	-	3 MILES MAX
DM/DF	-	3 MILES MAX
S CLASS	-	2 MILES MAX

TRAIL DESCRIPTION

Rendlesham Forest offers wonderful grass and sand trails with short crossover sections of rounded pebbles. The gently undulating terrain will be enjoyed by all.

GENERAL INFORMATION

This forest is becoming increasingly popular with members of the public. Please help us continue to make a good impression with the Forestry Commission; normal courtesy and good behaviour from all competitors will be appreciated.

MUSHERS MEETING AND RIG INSPECTION

MUSHERS MEETING	08.00
EQUIPMENT INSPECTION	From 07.30
LOCATION OF RIG INSPECTION	Near Start/Finish area
SCRUTINEER	See race notice board
DEPUTY RACE ORGANISER	Brian Collins

START TIME

SATURDAY & SUNDAY 08.30 B Class, then C4, C3, S, D and DM/DF

RESULTS AND PRESENTATION

The presentation will take place at the race site as soon as possible at the end of competition on each day.

SECTION 5

TENTSMUIR FOREST
HUSKY RACES

7/8 JANUARY 2012

WITH KIND PERMISSION OF FOREST ENTERPRISE

ACCESS

From Dundee: Cross Tay Bridge, at roundabout, take first left towards Tayport. Take the B945 through Tayport. 2½ miles from Tayport turn left towards Kinshaldy Beach. Follow red BSHRA signs to forest.

From Forth Bridge: Take the M90 to Junction 8. Leave at Junction 8 and take the A91 towards St. Andrews. At Guardbridge take the A919 to Leuchars. Head towards RAF Leuchars. Follow red BSHRA signs from Leuchars to Tentsmuir.

Co-ordinates: LAT 56.40362 LONG -2.831343

CAR PARKING, START AND FINISH AREAS

Follow BSHRA signs to competitor parking area. **Due to the layout of the forest and the route laid out for the race it may be necessary to close part of the access during the classes.** The forestry gates are sometimes locked after the main car park is opened so it would be advisable to arrive early. Parking will be as close to the start/finish area as possible.

CLASSIFICATION AND TRAIL DISTANCE

B C4 C3 D DM/DF AND S CLASSES

B CLASS	-	6 MILES MAX
C4 CLASS	-	5 MILES MAX
C3 CLASS	-	4 MILES MAX
D CLASS	-	3 MILES MAX
DM/DF	-	3 MILES MAX
S CLASS	-	2 MILES MAX

TRAIL DESCRIPTION

Tentsmuir is generally made up of main forest roads, grass firebreaks and sand surfaces allowing a varied trail suitable for all.

MUSHERS MEETING AND RIG INSPECTION

MUSHERS MEETING	08.00
EQUIPMENT INSPECTION	08.15
LOCATION OF RIG INSPECTION	Near Start/Finish area
SCRUTINEER	See race notice board
DEPUTY RACE ORGANISER	Steve Studley

START TIME

SATURDAY & SUNDAY 08.30 B Class, then C4, C3, S, D and DM/DF

RESULTS AND PRESENTATION

The presentation will take place in the forest as soon as possible after the end of competition on each day.

GENERAL INFORMATION

We are fortunate to have been given the opportunity to return to competing at Tentsmuir and we need to ensure that the event is a success so we can maintain the venue for the future. Competitors are reminded that it is forbidden to enter the forest outside the times stated on the permit and no barriers may be opened with competitors' own keys. This also applies to Friday's set up day. Anyone wishing to view the trails on Friday should telephone the Race Organiser beforehand. Competitors are reminded that should they wish to walk their dogs on the beach after the race, a car park fee is payable to the attendant.

The forest is a very popular venue for dog walkers at the weekend. Information notices will have been posted prior to the weekend but in the event of any incident normal courteous behaviour will be expected from all competitors.

SECTION 8

R2/CRANWICH FOREST
HUSKY RACES

18/19 FEBRUARY 2012

WITH KIND PERMISSION OF FOREST ENTERPRISE

ACCESS

From North (Swaffham): Take A1065 towards Thetford and Brandon. After the Mundford roundabout look for BSHRA sign on right hand side approx. ½ mile after roundabout.

From South (Brandon): Take A1065 towards Swaffham. Look for BSHRA sign after approx. 3 miles on left before the Mundford roundabout.

Co-ordinates: LAT 52.494357 LONG 0.650761

CAR PARKING, START AND FINISH AREAS

There will be ample parking facilities near to the start and finish areas. Please follow the relevant signs.

CLASSIFICATION AND TRAIL DISTANCE

B C4 C3 D DM/DF AND S CLASSES

B CLASS	-	6 MILES MAX
C4 CLASS	-	5 MILES MAX
C3 CLASS	-	4 MILES MAX
D CLASS	-	3 MILES MAX
DM/DF	-	3 MILES MAX
S CLASS	-	2 MILES MAX

TRAIL DESCRIPTION

The R2 area makes an ideal race venue. The trails offer varying distances on packed sand and grassy surfaces. However, there are some stretches of loose flints. Dog boots should not be needed for fit feet. The terrain is mostly flat.

Exact distances and trails will be dictated by weather conditions over the race weekend. Any trail changes will be posted on the race notice board.

GENERAL INFORMATION

R2 is not used for husky training. Please help us to encourage the Forestry Commission to allow us to continue to schedule races at this venue. It is anticipated that as usual in this area, there will be some interest from the general public. Normal courtesy from all competitors will be appreciated.

**BSHRA KINGS FOREST (WEST) NON CHAMPIONSHIP TRAILS
SUNDAY 4 MARCH 2012**

**IF YOU WISH TO ENTER THE NON CHAMPIONSHIP TRAILS BEING HELD ON THIS DAY
PLEASE COMPLETE THIS ENTRY FORM IN ADDITION TO THE STANDARD FORM YOU
HAVE COMPLETED FOR SATURDAYS RACE ENTRY**

Non Championship Trail 2 to 6 dogs

This trail offers you the opportunity to try any team size from 2 to 6 dogs on a fixed trail length. This will give those of you who would like to try running a different size team and some of the more inexperienced mushers the opportunity to try something different. Of course the trail length will, as always, depend on the temperature and conditions on the day but hopefully it will be around 3 miles.

We will attempt to seed competitors as far as possible in terms of their average speed/position the day before, with the larger teams going out first and the smaller teams later, as is usual. Please ensure you complete the number of dogs box on the entry form below to enable us to group entrants according to team size.

A second shorter trail length will be open to Scooter, Cani-cross and Bike-joring entries (each entrant running a single dog). Please make it clear which you will be running on the entry form below. Regular BSHRA competitors may wish to run their fit non-sled dog pack members in these classes. Depending on the size of the entry a mass start may be adopted for the Cani-cross. Following last years successful entry by the terrifying Scream Ghost-Faced Killer, fancy dress is encouraged but optional for these classes.

If there are sufficient entries the day will close with a junior class. Each junior will be permitted to run one dog only using a rig. (Older juniors, in J1, may use a scooter). An adult may follow juniors on a bike; the age categories are as follows:

J1 - Junior Class 1 (12-15 years)

J2 - Junior Class 2 (8-11 years)

Which form do I use to enter?

Your entry for the Saturday championship races should be completed on the preceding standard entry form. For your entry to the non-championship trails on Sunday please complete the form that follows these details.

Marshals

Marshals who volunteered for Saturday's race will be asked to marshal for Sunday also but with mushers trying out different team sizes we will require additional marshals to allow a rotation which will give everyone a chance to run. PLEASE indicate if you are prepared to marshal by ticking the boxes included below.

All classes will be timed as usual.

**BSHRA KINGS FOREST (WEST) NON CHAMPIONSHIP DAY
SUNDAY 6 MARCH 2011**

ENTRY FORM

Fees for the 2-6 dog and Scooter team sizes will be the standard race fee of £12.50 for the first entry & £6.25 for subsequent entries. The Junior, Cani-cross & Bike-joring classes are £5.00 per entry. Cheques made payable to BSHRA

Send entries/fees to: Brian Collins, Bifrost, Popular Farm Lane, Great Green, Thurston, Bury St Edmunds, IP31 3SL

PLEASE NOTE: Mailed entries close on Saturday 18th February 2012 (postmark)

Online entries close on Wednesday 22nd February 2012
